

## GRACE EASTER CHOIR

### EXPECTATIONS AND IMPORTANT DATES

1. Please listen to the practice tracks and practice at home during the week.

*These tracks will be available in the folder no later than **March 8.***

**Song this year for the choir will be:**

**GOD SO LOVED & THANK YOU JESUS FOR THE BLOOD**

2. Rehearsal time is for rehearsing together as a team, not for learning parts.

*The more prepared we are individually, the better we will sound and feel collectively.*

3. Please dress in **modern casual attire** on Easter Morning.

*Be cognizant of those who may be attending on Easter, especially guests and first time visitors. No suits or business casual. Spring Dresses for women **are** acceptable. We want to look approachable, current, and unified.*

### REHEARSAL SCHEDULE **\*\*you must be able to attend all to participate\*\***

Rehearsals will take place on Sundays following the services @ **12:45**

**March 15**

**March 22**

**March 29**

**April 2** will be a full run through with the band and tech @ **7PM**

This will be our chance to lock transitions, dynamics, and flow as one team.

*Thank you for your preparation, flexibility, and heart. What we do matters, and how we show up for one another sets the tone for the whole room.*
