Week 1: *Mystery and Revelation*

KEY SCRIPTURE: *Deuteronomy 29:29*

Confidence in God's Character. Humility Before His Ways.

God has revealed enough of Himself for us to know Him, trust Him, and follow Him, while leaving room for mystery that calls us to deeper faith.

CONNECT

Share about a time when you wanted to know exactly how something would turn out before taking the next step.

READ KEY SCRIPTURE

What stood out most from Sunday's message?

What are some things Scripture says we can know with confidence about God?

REFLECT

- Do you naturally lean more toward needing certainty or living in uncertainty? Why do you think that is?
- Has there been a season when God felt difficult to understand? What helped you continue trusting Him?
- How can certainty become pride? How can unanswered questions become an excuse to drift away from God?

APPLICATION

- What is one area of your life where God is inviting you to move from control toward trust?
- What would it look like to pray both prayers of trust and faith this week?

PRAYER

Thank Him for His presence, His Word, and the ways He continues to draw us closer to Himself. Pray that your group would grow in confidence in God's character, especially in seasons of uncertainty, and that each person would leave encouraged to walk with humility, faith, and love.
